

24 September 2015

18:00 – 20:00 Registration desk opens

25 September 2015

07.30 – 09.00 Registration desk opens

09.00 – 09.10 Welcome and aim of the meeting

09.10 – 09.30 Scientific and regulatory environment in metabolite profiling and quantification today

09.30 – 10.00 Current practices and future vision on metabolite profiling, an example from Pharma 1

10.00 – 10.30 Coffee break

10.30 – 11.00 Current practices and future vision on metabolite profiling, an example from Pharma 2

11.00 – 11.30 How to manage metabolite profiling requests from a CRO perspective?

11.30 – 12.00 Examples of Regulatory feedback related to metabolite questions

12.00 – 13.00 Lunch

13.00 – 15.00 Workshop: towards best practice

13:00 – 13:30: 'best practice' starting proposal from EBF Survey

13:30 – 15:00: workshop discussion including multi stakeholder input

15.00 – 15.30 Coffee break

15.30 – 16.30 Conclusion

16:30 Adjourn

MEETING ORGANISATION

Stefan Bleach, Boehringer Ingelheim - John Smeraglia, UCB - Steve White, GlaxoSmithKline -
Timothy Sangster CRL - Stuart McDougall, Covance - Philip Timmerman, Janssen R&D

The conference is organised as a non-sponsored non-profit event by European Bioanalysis Forum VZW
